

Dear Parents/Teachers/Administrators

Subject: Music Education Scholarship

Created in 2003, the Citrus Community Concert Choir (CCCC) is a 501(c)(3) not-for-profit organization that strives to bring new musical experiences to the residents of Citrus County. Our mission is to provide classical and contemporary choral music to the community by presenting several concerts every year and to pass on the opportunity for further education in the field of music to future generations through scholarships.

The members of the Citrus Community Concert Choir love music. Through the work of the Music Director and support of the Board of Directors, members practice weekly for several months before each concert improving their skills and capabilities as singers and musicians ensuring that quality is maintained at each concert. Proceeds from the community attending these concerts along with funding from personal contributions as well as advertising by local businesses and the support from the Citrus Chronicle newspaper has permitted us to offer scholarships to deserving Citrus County students continuing the study of music at the college level.

The Citrus Community Concert Choir is pleased to again offer a \$1,500 scholarship to qualifying students who reside in Citrus County and who wish to further their education majoring in the field of music.

If you are aware of such students, please advise them to apply for this scholarship by completing the attached application and submitting it with the requested information to the address listed for US Mail or email. Applications must be received by March 31.

Students with questions may email the Scholarship Committee Chair, Stephen Lane <suzannel119@outlook.com>).

Sincerely,
Board of Directors
Citrus Community Concert Choir
